Editor's Letter . . .

The time has come again when soon we will be facing many decisions that one must face when he finishes his high school days.

In this annual, The OAK LOG '62, I truly hope we have captured a few of the many phases of life that go on between the walls at our dear, ole high school. We hate to part; but we know we must. However, there will always be a spot in our hearts whenever we hear the name "Oak Hill" or if we ever again hear the " Alma Mater. "

So, keep your OAK LOG '62 and sit down in some future year and look back through your old, high school annual. Relive a part of your past.

Advisors

MR. C. C. HUSKINS
MR. BRUCE OXFORD

We, the staff of the '62 Oak Log, have preserved in this edition of our yearbook, what we think have been the best memories of this school year.

The purpose of this book is that on some future day, we can look back and cherish the memories of this school year. We hope that this year at Oak Hill has been as enjoyable to you, the student body, as it has been to us.

We want to thank our advertisers and everyone who has helped to make our annual a success.

The OAK LOG Staff of '62.

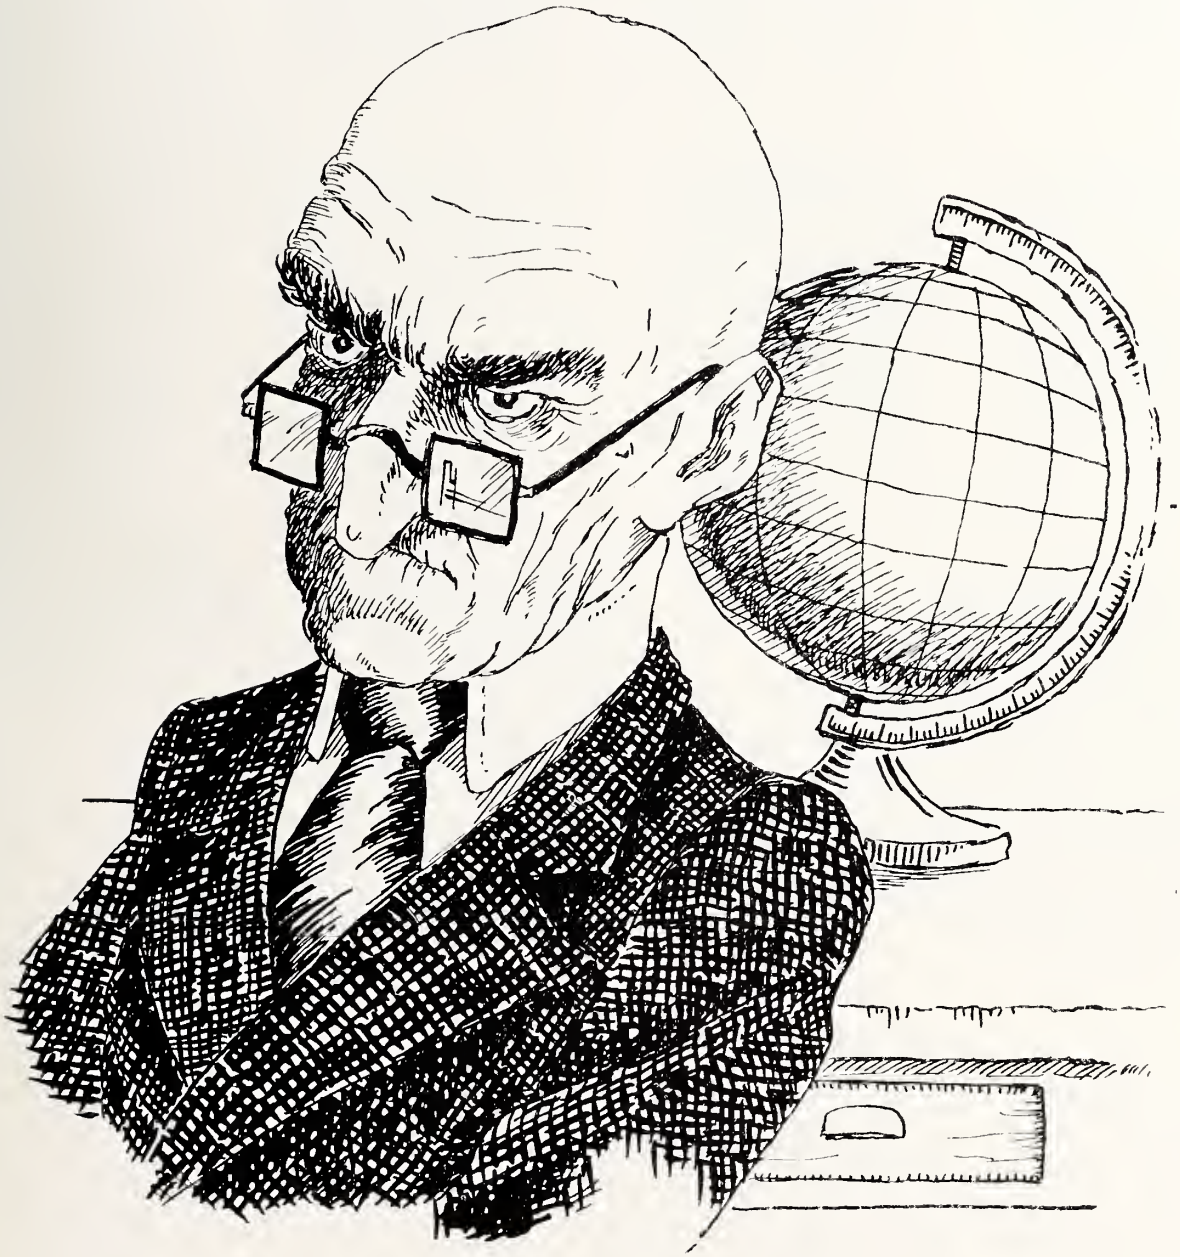
administration



Your generation has already witnessed more progress than all previous generations combined. In fact, we have moved so far and so fast that the world is now too dangerous for anything but the truth and too small for anything but brotherhood. And now man's greatest task is not to see how much farther he can extend the horizon but how much he can contribute to the building of a world in which these ideals may flourish.

My desire for you is that your twelve years at Oak Hill may have broadened your outlook upon life to the extent that you may use all your abilities in proclaiming the truth and cultivating brotherhood among all mankind.

Sincerely,

C. C. Huskins

Our Principal

Mr. C. C. Huskins

Mr. C. M. Abernethy

Our Superintendent

In this book you have recorded the events of your school career. I hope you pause long enough in your thinking to ponder over the fact that history has been made in these twelve years.

Since 1950, when you seniors entered the first grade, more has happened than in any similar period in all history. Outer space has been explored beyond man's fondest dreams.

You are entering an age of lightening speed and space exploration that will require mental alertness never demanded of any generation before your day. Your school hopes you have acquired the training that has given you a foundation on which you will be able to meet the challenge that surely is yours.

You have my best wishes as you continue, what I hope will be, further training.

Sincerely,

C. M. Abernethy

Snapshots

Here at Oak Hill we build memories that we will treasure for the rest of our lives. For the Sophomores, it's probably Mr. Austin's Biology tests; for the Juniors and Seniors, it's probably Mrs. Sawyer's English tests, and the Junior-Senior Banquet in the spring. We meet people here that we will remember for many years to come. This is indeed one of the most treasured parts of our lives—these four short years in high school.

When we graduate from Oak Hill, we will always hold a warm spot in our hearts for these four cherished years.

In Memory Of

Stanley Pennell

Upon the rugged journey of our school career, we find that, along with the many, many, joys and achievements, there are always a few sorrows and losses. Such was the experience of the student body at Oak Hill High School in the summer of 1961 when Stanley Pennell passed away. Stanley always had a smile and a friendly word for everyone he met, thus gaining many enduring friendships.

In fond memory and memoriam of Stanley Pennell, we submit this page of our annual, THE OAK LOG '62.

Class Poem

The path of knowledge was our road,
And patience was our guide;
And if we didn't always win,
'Tis sure that we had tried.

Our way was often rugged,
With temptations on every side;
But still we kept on traveling,
And above all—we tried.

We've lingered here quite long enough,
We'll leave, but with a sigh;
And when we've found our place in life,
We can say that we have tried.

History

In the fall of 1958 three groups of Freshmen began the all too short journey through high school. Those from Dudley Shoals, Lower Creek and Oak Hill joined to form the Senior Class of 1962. Fifty-six strong, under the direction and guidance of Mr. Carlos McRee and Mr. Dean Edmiston, we enjoyed a most profitable and educational year. To highlight the year with a happy note we took a trip to Chimney Rock.

Forty-three members returned to make our Sophomore year even better than the first. With the help of Mrs. Gladys Sawyer and Mr. V. K. Lane we had a happy year. We were on every team and in every club. We participated in all school activities. With this foundation we were ready to begin our Junior year.

With the beginning of our Junior year we realized that we had but one year until we would become Seniors. So many things to do, the Junior-Senior Banquet to plan, money to raise, class rings to order. In an effort to make this the best year ever we really worked hard. Forty-three students, grateful for the help and advice of Mr. Thomas Vance and Mrs. Nelda Dula, prepared for the responsibility of becoming Seniors. How proud we were of the Junior-Senior Banquet, which our combined efforts made the most successful ever! To end a delightful year we spent a day at Winston-Salem, a trip enjoyed by all.

What a strange and elating experience it was to realize that we were truly Seniors. All the years of waiting and the hours and hours of homework were really repaid by the reward of getting to the top. We were very much excited those first few days, but there was work to be done. We were busy, publishing the annual, writing and editing THE ECHO. We did our job well, and the gains were numerous. Mr. Gene Linney and Mr. Bruce Oxford directed our way through that wonderful year. The football season, the Harvest Festival, Homecoming, the many happy parties, and the basketball season came and went—last for us, the Seniors of '62. Then came the Junior-Senior Banquet, class night, graduation ...wonderful memories that will always remain in the hearts of each and every Senior of Oak Hill High School, Class of 1962.

Our days at Oak Hill High were the happiest we had ever known. They would not have been possible without the love and understanding of our parents, the patient help of the teachers who faithfully guided and encouraged us, and our fellow-students who shared our joys and sorrows. We have the foundation to go into the world to serve our community, country and mankind.

Prophecy

The year was 1972; I was hunting a file in the attic of my home. As the wind blew around the corners of the house, I noticed in the corner of the room my old, long-lost yearbook of 1962. Turning through the weather-worn pages, I recalled the past memories of our wonderful high school days. My first glance at the Senior class picture reminded me that through the years, I have not forgotten the faces of all the familiar people that once roamed the halls of ole O. H. H. S.

Here's JIMMY MARTIN, a very popular classmate, now a Science and Math teacher at State University.

MICHAEL WEST, very musically inclined, has become one of the State's most famous music teachers.

JUDY HAYES, Editor-in-chief of the OAK LOG is now a leading feature writer for Good Housekeeping.

LONNIE REED is now the agriculture agent for eastern North Carolina.

CAROLYN HART, a very good writer, has turned all her ability into her occupation, an author.

LEON WHITE is now successfully engaged in the Prudential Insurance Company of Amercia.

STEVE PRITCHARD, with his great singing voice, has become the latest classical music singer.

And, LARRY PENNINGTON, who won a football scholarship, has now turned "pro" for the Cleveland Redshirts.

Here's JOYCE REID and JEANETTE WHITE nurses at the newly-built hospital at Winston Salem, incidently, it is managed by—oh, yea, here they are, GERALD BENFIELD and GWEN BROOKSHIRE.

LARRY MCLEAN has served 5 years with Uncle Sam and is doing good after he was assigned a Civil Defense job in Charlotte, N. C.

JERRY BOWMAN, a great believer in wildlife, has accepted the job of State Forest Manager with MARSHALL KIRBY, his assistant.

BARBARA BARLOWE is now occupied in the Beauty Salon Managers Association, and now owns along with IRENE THOMPSON, the state's most exclusive salon.

GAIL TEAGUE, now a private secretary, has become a very well-known person in the business world.

Here is TED WHITE, who now is owner of Smith Crossroads, being that he doesn't like Fords, I don't see why!

ROY HAIGLER, along with EDWARD YOUNG, is now occupied in the U. S. A. F. with outstanding records.

Here is BRENDA STAFFORD an American Correspondent to Russia with JANICE HAMBY, her advisor.

JUNIOR HICE and his brother, PAUL, are doing very well managing North Carolina's largest Sporting Equipment Store called "Hice's Place."

GAYLE JOHNSON, the Homecoming Queen, is now a model along with NANCY HAMBY, in New York.

MARIE BRINKLEY has finally been hitched after all that waiting.

I was not surprised to learn that FAYE BOWMAN has become a Phy. Ed. instructor at "State."

WENDELL HOLDER and BOBBY SIMMONS are now co-owners in "Wen-Simm" Transfer Co., with BETTY SETZER their Business Manager.

MAX SPENCER and CLAYWELL POSTELLE are employed as electricians at Western Electric and I don't know what I'll be doing after this, because "I'm just a poet and don't know et."

GENE ANNAS, who was a transferee from Hudson High School back in '62 is now teaching dancing lessons at Oak Hill.
